

About Us:

...is Australia's leading provider of effective, evidence-based early intervention for children with autism spectrum disorder and developmental delays. Our vision is to help children get more out of life – in a meaningful and measurable way.

At the core of services and support is Applied Behaviour Analysis (ABA), a scientifically validated methodology with over 50 years of proven results in Australia and overseas. We work closely with allied health professionals.

Our staff play a vital role in supporting children and their families. We have strategically invested in learning and development to train and equip our Lizard Behaviour Therapists (LBTs), Registered Behaviour Technicians (RBTs), Senior Behaviour Therapists (SBTs), Assistant Behaviour Analysts (BCaBA) and Program Supervisors, Board Certified Behaviour Analysts (BCBAs).

Lizard Centre is a fast growing, dynamic and innovative business with an exciting and expansive future in early interventions services for children. We have centres based in Brisbane, Sydney, Melbourne, and Adelaide.

About the Roles:

Registered Behaviour Technician

Are you interested in behaviour therapy and love working with children? Do you have your Registered Behaviour Technician certification? This entry-level role is for you. It will provide you a solid foundation in implementing applied behaviour analysis theory daily. You will work in our centres and also in-home / in-school with children and families under the direction of Behaviour Analysts. We will provide in-house supervision by a Board Certified Behaviour Analyst (BCBA). We have permanent and casual positions commencing immediately in all Sydney, Melbourne, Adelaide and Brisbane.

Assistant Behaviour Analyst

Do you have an undergraduate degree in psychology, some field experience in delivering Applied Behaviour Analysis (ABA) therapy and have or completed or are willing to complete your BCaBA Certification? Maybe you are already studying Post Graduate level ABA Theory at Monash University or Griffith University? Then this job is for you! We offer flexibility around your study commitments and provide supervision from a BCBA, which can count towards

your Fieldwork Supervision Hours. Work while you study, *and* the experience will count towards your certification fieldwork & fieldwork supervision hours! And then continue your career with us! We have permanent full-time and part-time positions in Sydney, Melbourne, Brisbane, Adelaide.

Behaviour Analyst

Do you have a Masters Degree in Applied Behaviour Analysis or a related field like Clinical Psychology or Special Education? Do you have fieldwork experience working as a therapist perhaps while you studied? Do you like working with children and making a difference in their lives? Then this job sounds like your next step! We will offer you a pathway of learning to fast track your skills so that you can fulfill the role of a Behaviour Analyst under the guidance of a BCBA and our Clinical Director, a BCBA-D. If you want to pursue Board Certification, we will provide you with both the field work experience and the supervision you will need in-house! We have permanent full-time and part-time positions in Sydney, Melbourne, Brisbane and Adelaide.

BCBA Certified Behaviour Analyst

Are you about to sit your BCBA Exam or almost completed your fieldwork experience? Do you already have your BCBA Certification? Then come and work with us and help us grow and develop our therapy teams to be the best practitioners of Applied Behaviour Analysis in Australia. We are ACE Providers offering in-house professional development and CEU's to keep you certified and up to date with the science of ABA. There are plenty of opportunities for you to train and supervise staff as part of your BCBA Certification. Our staff love to collaborate and thrive in a team environment of sharing and support.

Next Steps

If any of these roles sound like your next step then contact Jenny Cantwell JCantwell@lizardcentre.com or 0405 133 147.
